

ALL DOGS PARKOUR SEMI-ANNUAL SPECIAL EVENT
THEME TITLES
(updated September 3, 2020)

DATES:

This event will run semi-annually during the month of February and the month of August. Entries may be submitted only during those months. Retries may be submitted after the month has ended.

ELIGIBILITY:

Dogs must be registered with All Dogs Parkour to participate. The Registration Form is on the Get Started page of the website. www.alldogsparkour.com

ADP RULES AND GUIDELINES:

If you are new to ADP, please read the Rules and Guidelines (Get Started page on the website). Except as stated otherwise in this document, all the ADP rules and guidelines apply and entries will be judged accordingly. Please be especially aware of the equipment and leash rules as well as the rule limiting jump heights and when to support the dogs coming off an EF.

TITLES:

There are five titles, Level 5 also being a Championship title. Each title requires a single qualifying entry. Titles must be earned in order, beginning with ADP-L1(Th). ***However, entries for higher levels may be submitted at any time. Retries may be submitted after the end of the event, if necessary.***

ADP-L1(Th)
ADP-L2(Th)
ADP-L3(Th)
ADP-L4(Th)
ADP-L5(Th) and ADP-CH(Th)

THEMES:

Each entry must have a different theme. Examples of themes are Halloween, the beach, gardening, golf, cooking, boxes, etc.

LOCATION:

All entries may be done at one or more locations. A location may be used in more than one entry.

EFs:

Handlers may use any EFs found at or brought to the location(s) used for each entry. EFs may be assembled in one place or may be used in a variety of places. But each EF must relate to the theme. EFs may be used for multiple exercises, but each

use must be a different exercise and must look different from the other exercises with that EF. If you have multiple dogs, they may use the same EFs and do the same exercises.

EXERCISE CRITERIA:

Exercises need not meet the ADP exercise list criteria. Jumps may be lower than hock height, for example. Exercises may be original creations, such as backing over an EF. Unlimited Landscape/Hardscape exercises may be used, but only once each in any entry. EFs may be used for multiple exercises, but each use must be a different exercise and must look different from the other exercises with that EF. If you have multiple dogs, they may use the same EFs and do the same exercises. No exercise may be done more than twice in any entry (LH only once each).

Doing more of the same exercise is not a "different" exercise. For example, if you do a Go Between, you may not do "Go Between Two Times" as a separate exercise, even with different EFs. If you do a LH Figure 8, you may not do "Triple Figure 8", even with different EFs. If you do a Get On (4 Feet), you may not do "Wait On an EF for 10 Seconds", even with different EFs.

ENTRIES:

Each entry must have the following:

- A. A cohesive theme (see "Themes", above).
- B. 12 exercises, all done with the theme-related EFs chosen by the handler.
- C. A sufficient number of different exercises:
 - at least 6 different exercises for ADP-L1(Th)
 - at least 7 different exercises for ADP-L2(Th)
 - at least 8 different exercises for ADP-L3(Th)
 - at least 9 different exercises for ADP-L4(Th)
 - at least 10 different exercises for ADP-L5(Th)

ENTRY FEE:

Each entry is \$15. Retries are \$10.

ENTRY FORM:

Use the regular entry form. Fill in the level, and write "Theme" in the Track section. In the Location section, write your theme for the entry. The entry form is on the Get Started page of the website. www.alldogsparkour.com

CERTIFICATES and THEME CHAMPION SLIP RIBBON:

A title certificate will be e-mailed for each qualifying entry. A "Theme Champion" slip ribbon will be sent to teams finishing all 5 titles. There are no other ribbons available for these titles, but teams may order an ADP Champion rosette (\$8) and the matching slip ribbon can be attached to it.
