

**ALL DOGS PARKOUR SEMI-ANNUAL SPECIAL EVENT
INGENUITY TITLES
(document date: January 30, 2025)**

DATES:

This event will run semi-annually during the month of February, March, July, and August. Entries may be submitted only during those months. Retries may be submitted after the event has ended.

ELIGIBILITY:

Dogs must be registered with All Dogs Parkour to participate. The Registration Form is on the Get Started page of the website. www.alldogsparkour.com

ADP RULES AND GUIDELINES:

If you are new to ADP, please read the Rules and Guidelines (Get Started page on the website). Except as stated otherwise in this document, all the ADP rules and guidelines apply and entries will be judged accordingly. Please be especially aware of the equipment and leash rules as well as the rule limiting jump heights and when to support the dogs coming off an EF.

If the off leash options apply (see last two paragraphs of the Off Leash Options section of the R&G, page 7-2), you must hold the harness handle or a leash tab to spot and/or support your dog in all situations in which a leash is otherwise required. If the judge deems the exercise was not done safely and/or in accordance with the R&G, the entry will be an NQ. If you have questions, please post to the MeWe or Facebook groups or ask at adptitling@gmail.com..

TITLES:

There are five titles, Level 5 also being a Championship title. Each title requires a single qualifying entry. Titles must be earned in order, beginning with ADP-L1(In). ***However, entries for higher levels may be submitted at any time during the event. Retries may be submitted after the end of the event, if necessary.***

ADP-L1(In)
ADP-L2(In)
ADP-L3(In)
ADP-L4(In)
ADP-L5(In) and ADP-CH(In)

INGENUITY:

Ingenuity combines the structure of the Ladders Track with the ADP Novel Uses exercise. Each level adds an additional exercise to be done with each EF, from two exercises at the lowest step to six at the highest.

LOCATIONS:

There are no location requirements for Ingenuity titles. Multiple entries may be done in the same location.

EFs:

Handlers may use any EFs found at any location and/or brought to a location. EFs will be used for multiple exercises in each entry, but each use must be a different exercise and must look different from the other exercises with that EF. If you have multiple dogs, they may use the same EFs and do the same exercises.

EXERCISE CRITERIA:

Exercises need not meet the ADP exercise list criteria. Jumps may be lower than hock height, for example. Exercises may be original creations, such as backing over an EF. Unlimited Landscape/Hardscape exercises may be used, but only once each in any entry. EFs will be used for multiple exercises in an entry, and each use of that EF in that entry must be a different exercise and must look different from the other exercises with that EF. If you have multiple dogs, they may use the same EFs and do the same exercises. No exercise may be done more than four times in any entry.

Doing more of the same exercise is not a "different" exercise. For example, if you do a Go Between, you may not do "Go Between Two Times" as a separate exercise, even with different EFs. If you do a LH Figure 8, you may not do "Triple Figure 8", even with different EFs. If you do a Get On (4 Feet), you may not do "Wait On an EF for 10 Seconds", even with different EFs.

Original exercises and exercises that do not meet criteria (such as a jump over an EF that is not hock height) must be labeled as "OL" or "Off-List".

ENTRIES:

Each entry must have the following:

A. The required number of different EFs or different sets of related EFs as follows:

Level 1: 7 EFs (6 for Special Division)

Level 2: 6 EFs (5 for Special Division)

Level 3: 5 EFs (4 for Special Division)

Level 4: 4 EFs (3 for Special Division)

Level 5: 3 EFs (2 for Special Division)

B. The following number of different exercises with each EF:

Level 1: 2 exercises

Level 2: 3 exercises

Level 3: 4 exercises

Level 4: 5 exercises

Level 5: 6 exercises

NOTE: Dog must disengage from the EF in between each exercise. Exercises are not to be done like a flow sequence. Each exercise must be labeled and may be filmed as a separate video.

C. A sufficient number of different exercises in each entry:

at least 6 different exercises for Level 1

at least 7 different exercises for Level 2

at least 8 different exercises for Level 3

at least 9 different exercises for Level 4

at least 10 different exercises for Level 5

NOTE: No exercise may be done more than four times in any entry.

ENTRY FEE:

Each entry is \$15. Retries are \$10.

ENTRY FORM:

Use the regular entry form. Fill in the level, and write "Ingenuity" in the Track section. The location can be left blank. The entry form is on the Get Started page of the website. www.alldogsparkour.com

CERTIFICATES and INGENUITY CHAMPION SLIP RIBBON:

A title certificate will be e-mailed for each qualifying entry. An "Ingenuity Champion" slip ribbon will be sent to teams finishing all 5 titles. There are no other ribbons available for these titles, but teams may order a matching ADP Champion rosette (\$8) and the slip ribbon can be attached to it.
